

BRADY

at Pearson we innovate

BRADY is proud to be part of Pearson, the worlds leading learning company. We remain committed to providing a pedagogically-sound suite of solutions that offer the flexibility to meet the unique needs of every learner, while keeping a focus on efficacy. At BRADY we are passionate about what we do and about partnering with educators to prepare students to become street-ready EMS professionals.

DIGITAL SOLUTIONS

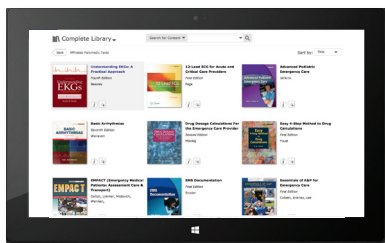

MyBRADYLab® for EMR, EMT, AEMT and Paramedic

MyBRADYLab gives you the power to reach students on their terms—and to teach however you like. Encourage students to immerse themselves in the Pearson eText on their own time and use your classroom sessions to workshop key concepts. Enhance your lectures with videos and other engaging content that brings course material to life.

Fostering engagement both within and outside the classroom, MyBRADYLab helps students better prepare for class, quizzes, and exams—resulting in improved performance in the courses.

MyBRADYLab fosters learning within and beyond the classroom. Features include:

- Gradebook
- Multimedia Library
- Pearson eText
- Decision-Making Cases

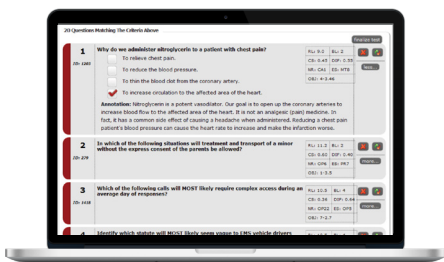

Digital Library for Paramedic

All of your BRADY eTexts and technology resources in one place, for one low subscription price.

The BRADY Digital Library offers access to all of your BRADY eTexts and technology resources used across your program—in one place, for one affordable subscription price.
